**Welcome, or as we say in Aruba,
“Bon Bini”, to the fun and excitement
of Aruba Steve’s.**

**Sit back and savor the vibe,
the sounds and the flavors that
visitors to Aruba have come to love.**

Our menu features authentic dishes such as Jamaican Jerk Chicken, Mahi Mahi BLT as well as the Smokey Joe’s Pulled Pork sandwich, and of course our own house specialty Fish Tacos. We take extreme pride in our food and our family recipes, and as such all sauces, salsas and marinades are made fresh from scratch in house daily.

Our bar is the home to a variety of traditional rum drinks such as “The Best Mojito In Providence”, and the world famous “Pink Iguana.” In addition we have carefully crafted an assortment of new punches to cater to the likes and tastes of everyone, some more potent than others! Be sure to try one in a 16oz mason jar or a signature 32oz fishbowl.
